YOUR JOURNEY / THE ARRIVAL

The days, thoughtfully arranged.

JUL 27

A collection worth lingering over

03

CAIRO

A dedicated museum day with a private Egyptologist leaves room for questions and favorite collections. The Grand Egyptian Museum is the proposed focus, subject to arrangements.

JUL 28

Choose your Cairo

THE FEEL OF THIS JOURNEY

Luxury hotel preferences, private transfers and guides, flexible touring days, and a generous Luxor stay. Ideal for travelers who value space and individual attention.

MAKE IT YOURS

Select suites or Nile-view rooms, tailor specialist guiding, or add a separately priced Jordan extension. A multi-night cruise would need a redesigned route and confirmed sailing dates.

Illustrative estimate in USD for two travelers sharing a room, excluding the \$1,000 planning fee and any Jordan extension. This is a budgeting guide, not confirmed supplier pricing.
